

# Using ICT in Music Education

Results collected by CEIPES  
in March 2017 in Italy,  
mainly in the territory of Palermo

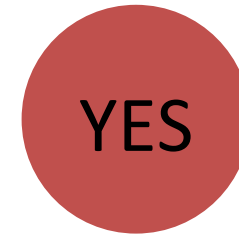

# Do you have a computer at home?

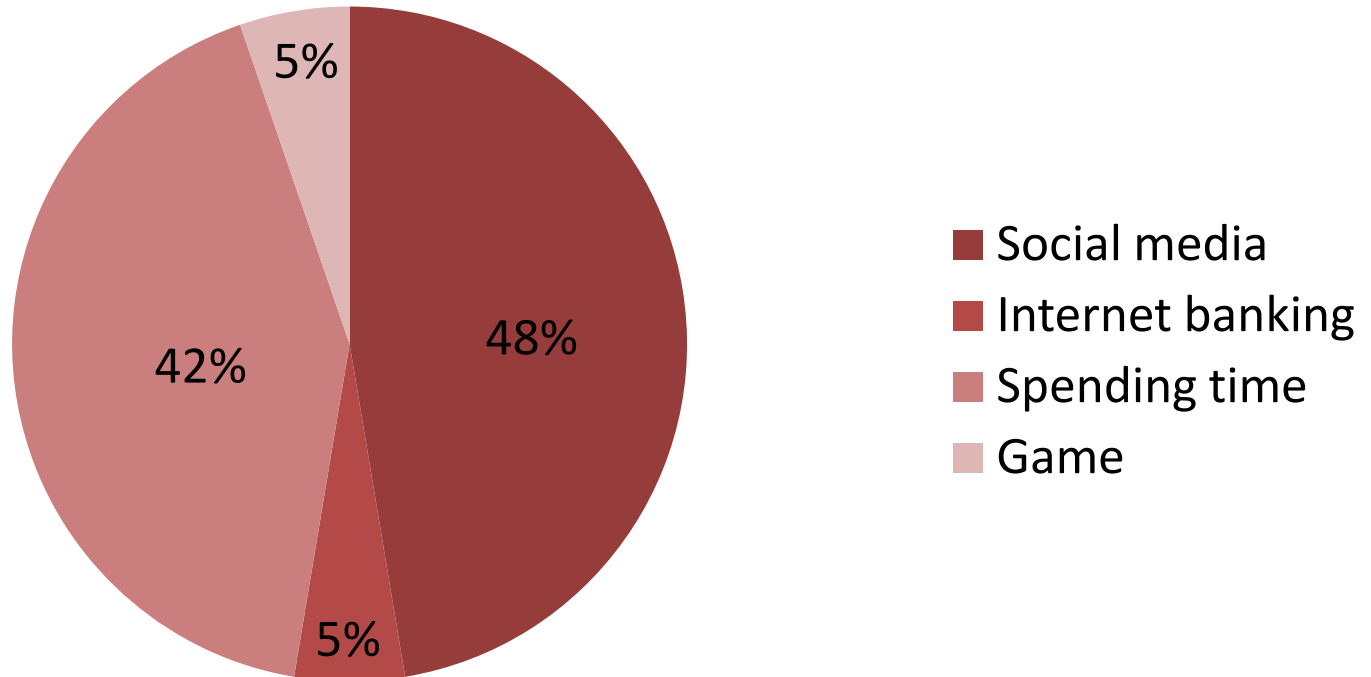

# For what purpose do you use the computer?

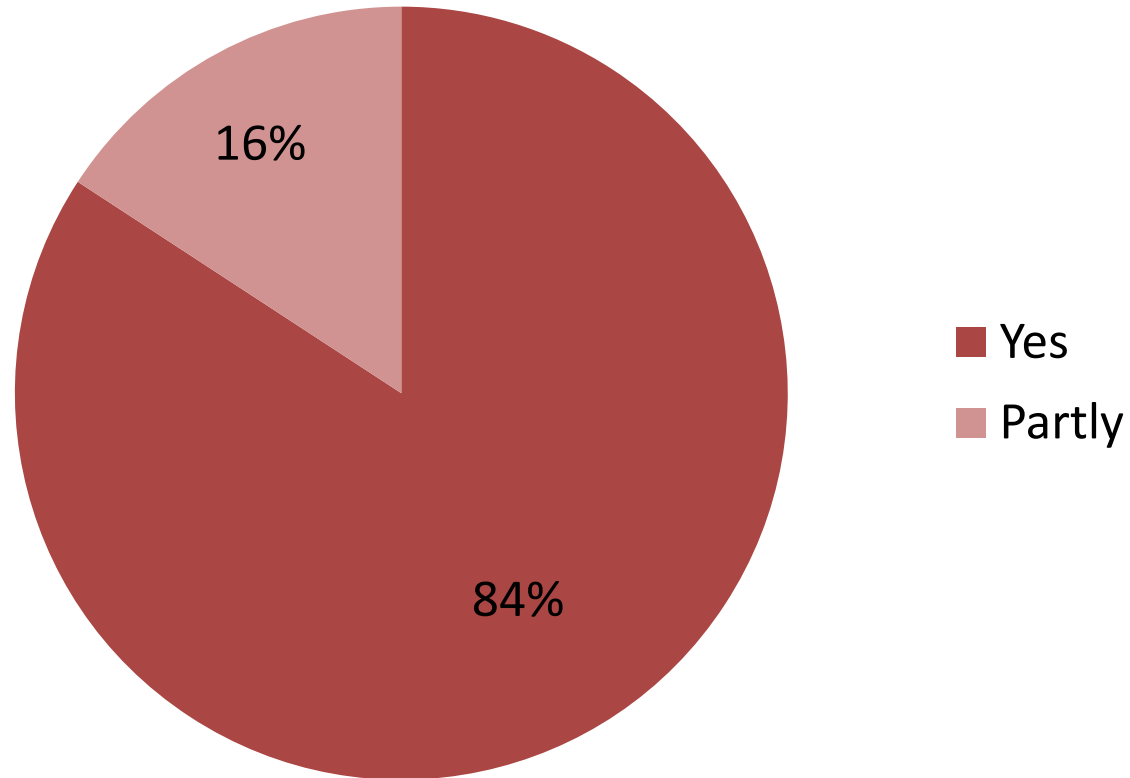

# Do you use the internet?

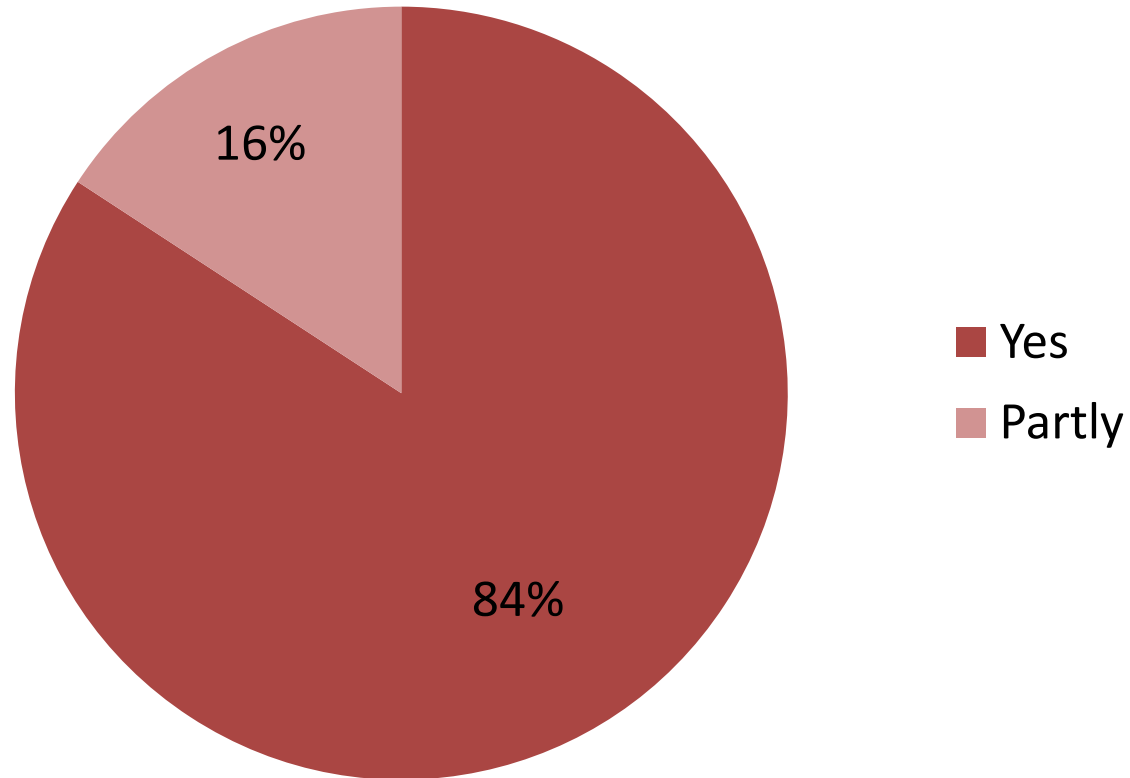

## For what purpose do you use it?

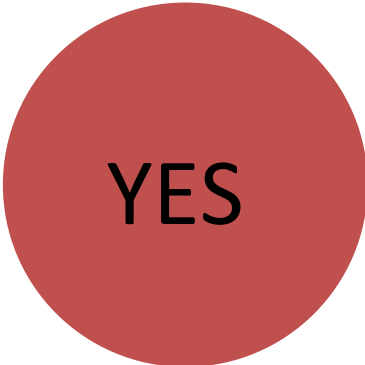

# Do you know how to use the Control Panel on your computer?

# Do you know file and directory (folder) editing?

Could you send a file by e-mail?

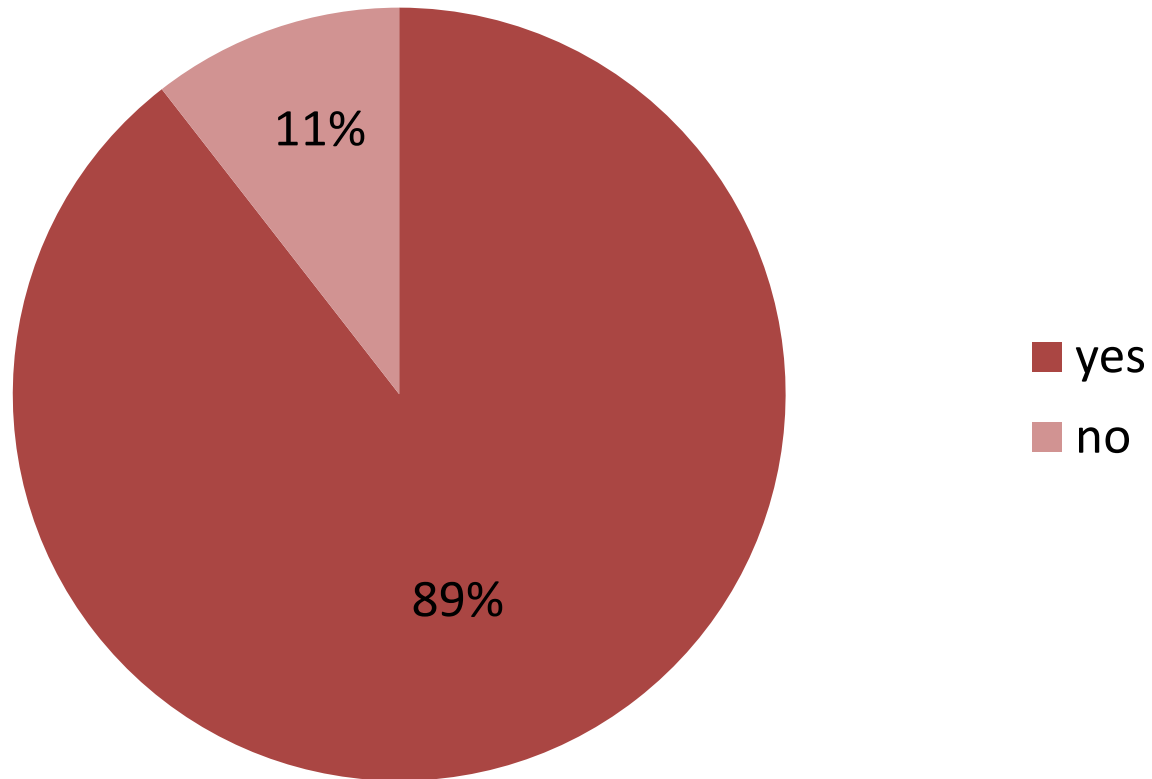

Are you interested in music?

Can you share the information you store with others?

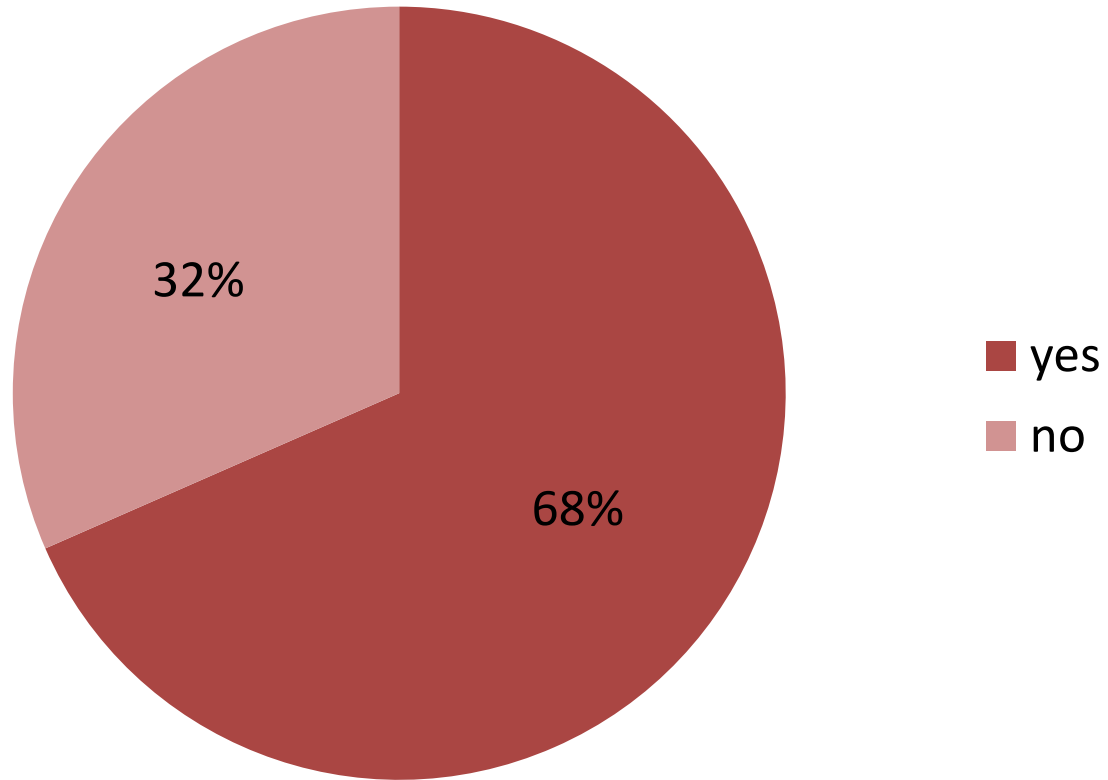

# Do you know the concept of cloud storage?

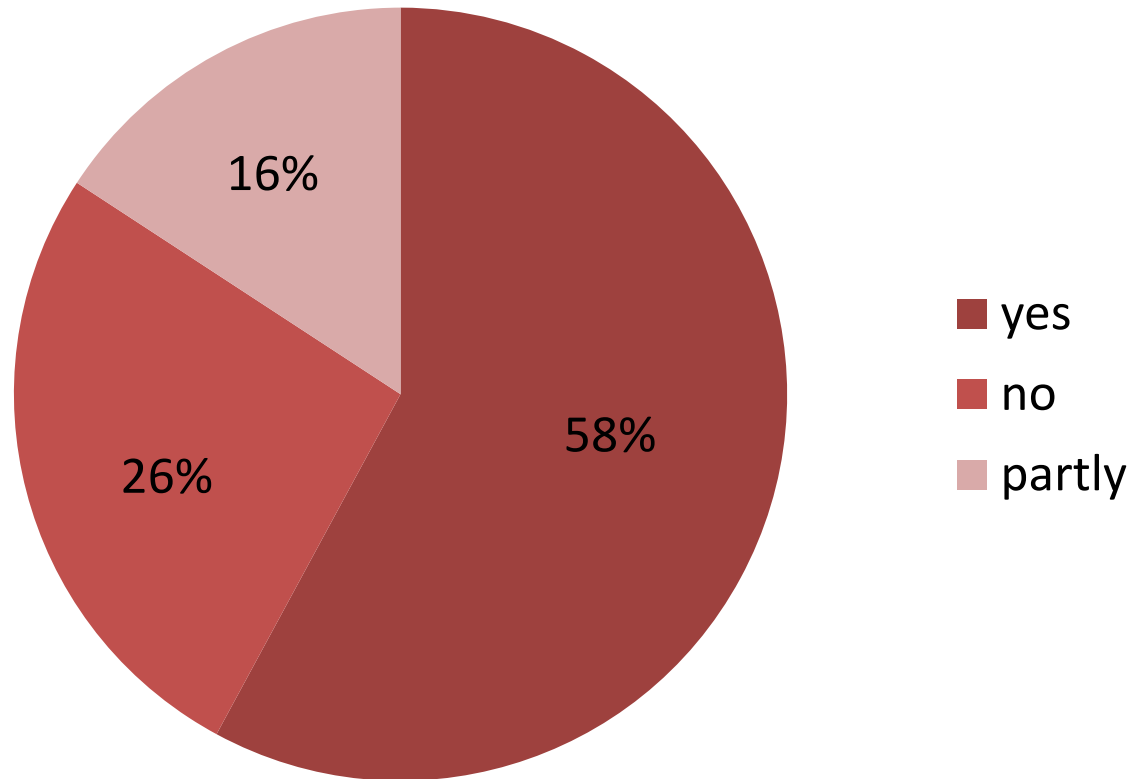

# Have you used cloud storage before?

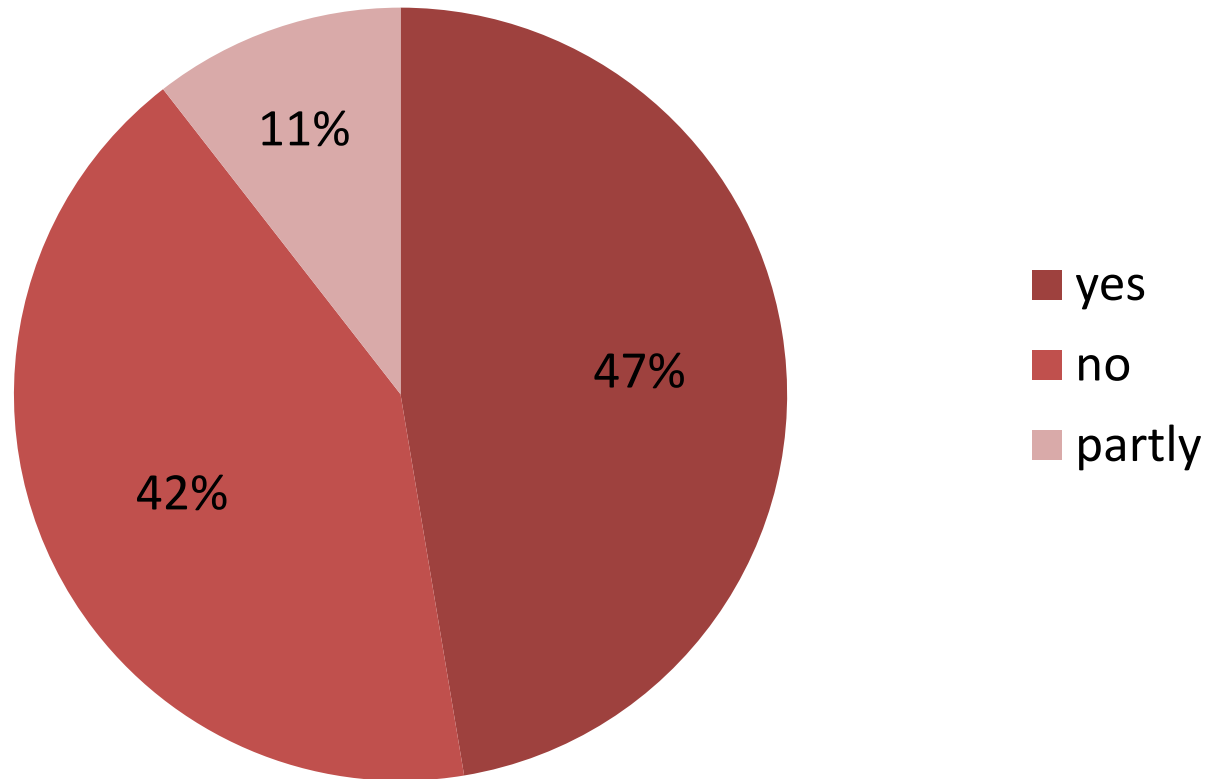

# Are you able to shrink and send large files that do not fit in e-mail?

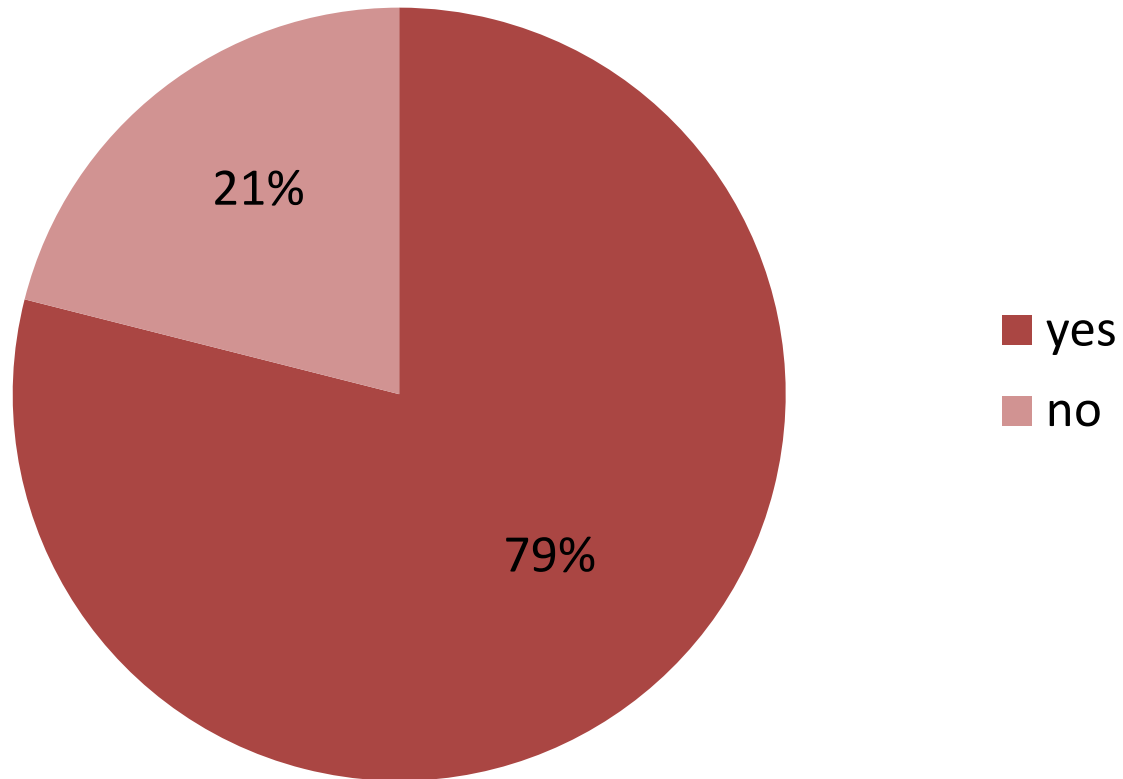

# At what level are you interested in music? Please specify.

I can't do without it	To the point of being a musician myself
I compose it	I don't think it's quantifiable, but obviously I don't want to make a job out of it, regardless of it is very present in my life and I like to play it.
It's part of my life since I was born	I'm so much interested to it that I wish to sustain myself with music
I'm interested to it because it's capable to relieve tension and improve the quality of my life	Music is my greatest passion, I started to play it at four and I practice it on a daily basis
I think it's very important to have a musical spirit, it makes you develop other abilities	I study music (singing) and I play with several bands, I love to learn playing new instruments
I like to listen to music when I have to move from a place to another or to relax myself from studying or to give me the right charge during training	I'm very interested to it
Trying to go deeper in its comprehension	I'm very interested to it, indeed I listen to it regularly during the day
I'm very interested to music. I have been playing music on a daily basis for many years	A lot
Constant listening; Musician for hobby.	A lot
Playing music with my band is my hobby	

# Do you know how to read music notes?

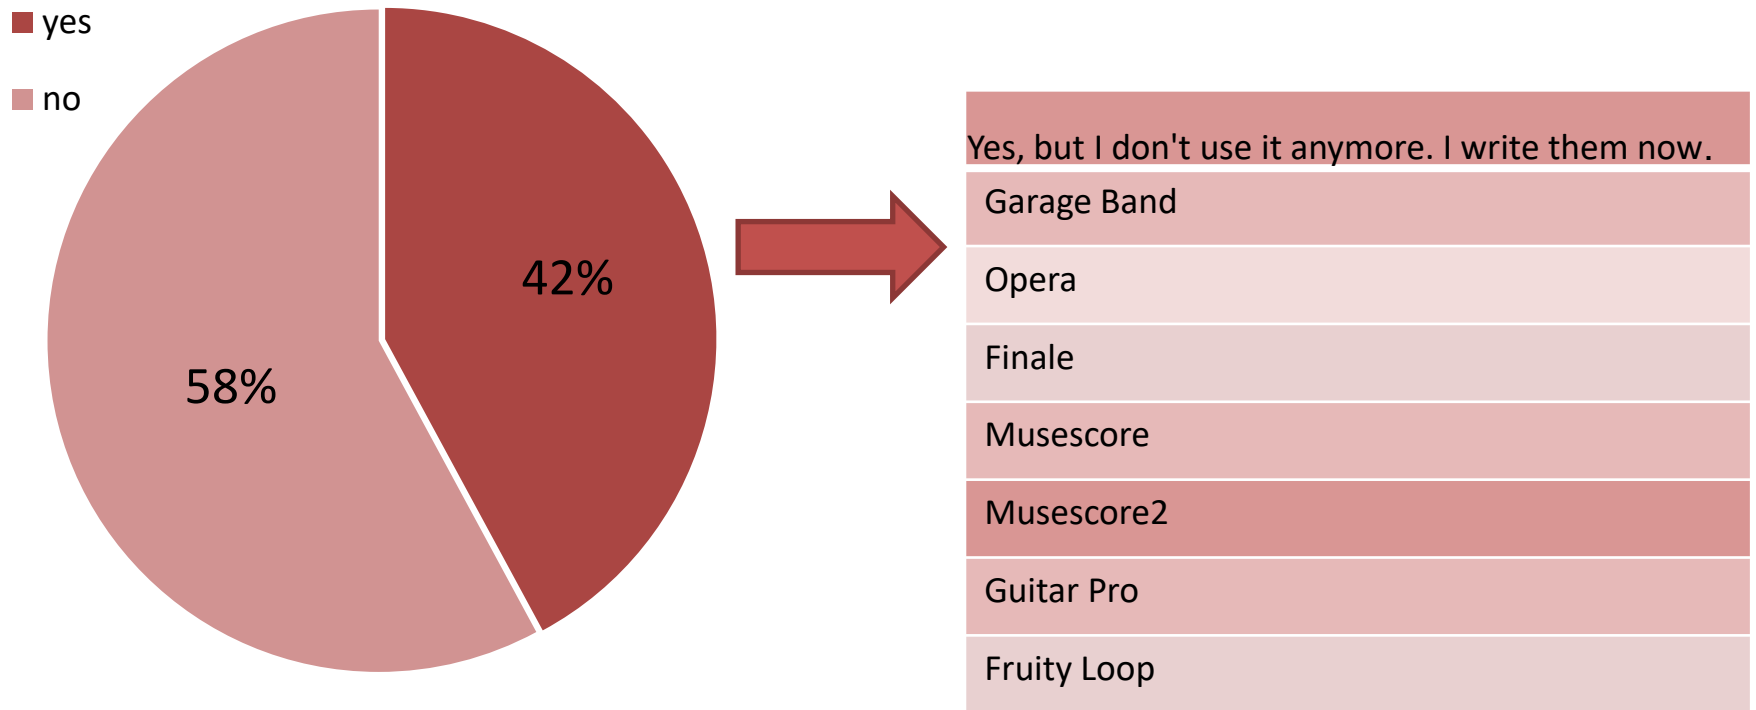

# Can you do solfege?

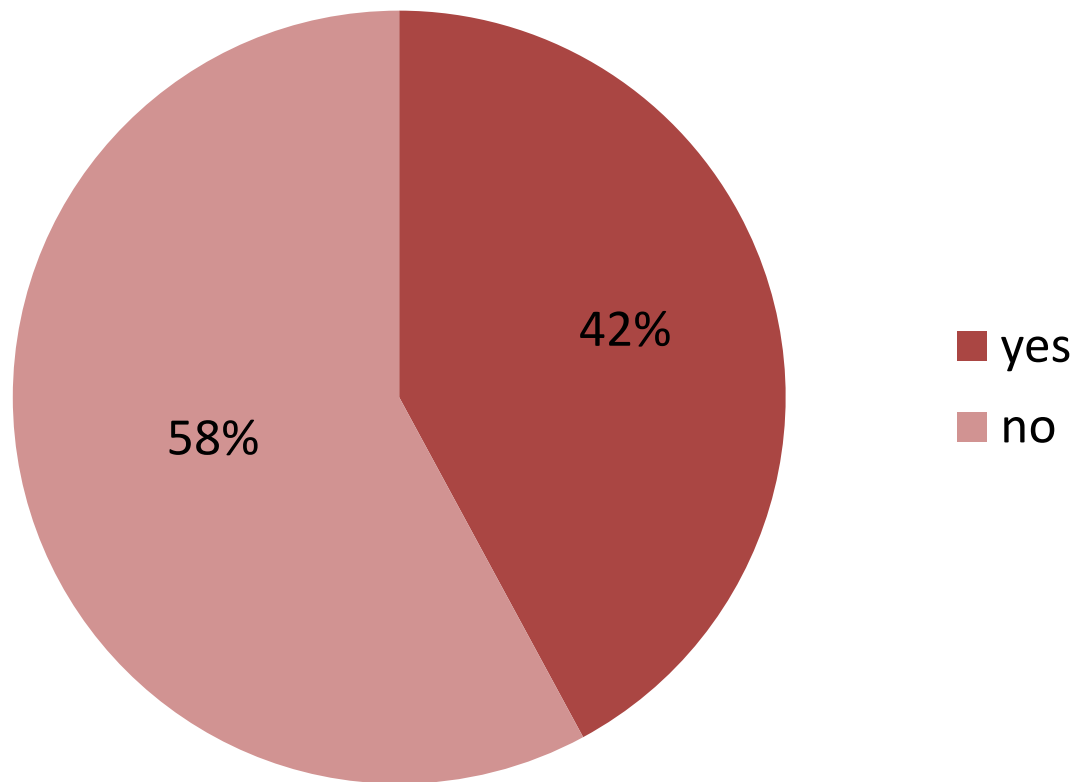

# How do you work a musical piece you do not know? (Please specify)

Choreographed singing	In which sense
By considering other musicians	I didn't understand the question
It depends from the genre I'm playing	I study the text, the rhythms, the words, and I read it as if I'm reciting it; in one moment I the vocal technique with relative interpretation
I read chords and tablatures and then I compose them with guitar	First I read the melodic part and I analyze the harmony, then I work on the accompaniment and the arrangement
in no way	I sing
I don't play any instrument	Not much and badly
I read the score	I can't play a musical piece
I play it with the guitar and I sing it	I don't play music
I play cajon, drums and several percussions.	I don't play musical pieces
With my band	

# Do you know a notation program? If yes please specify.

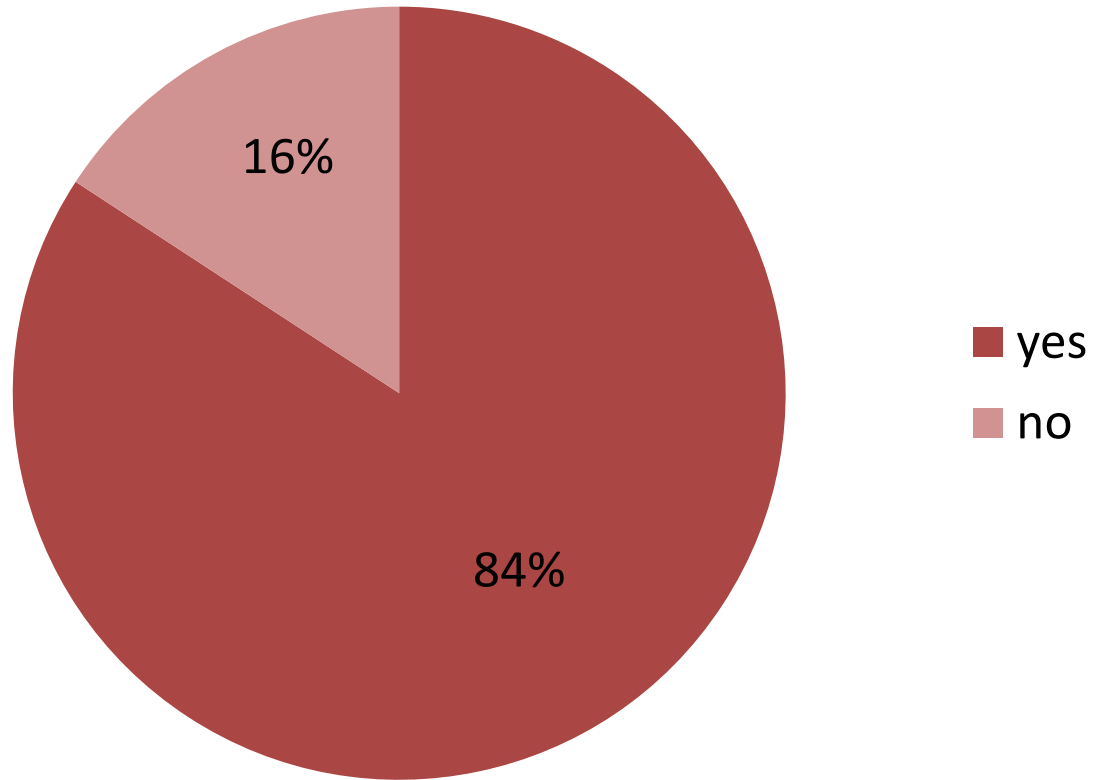

# Did you do a composition trial?

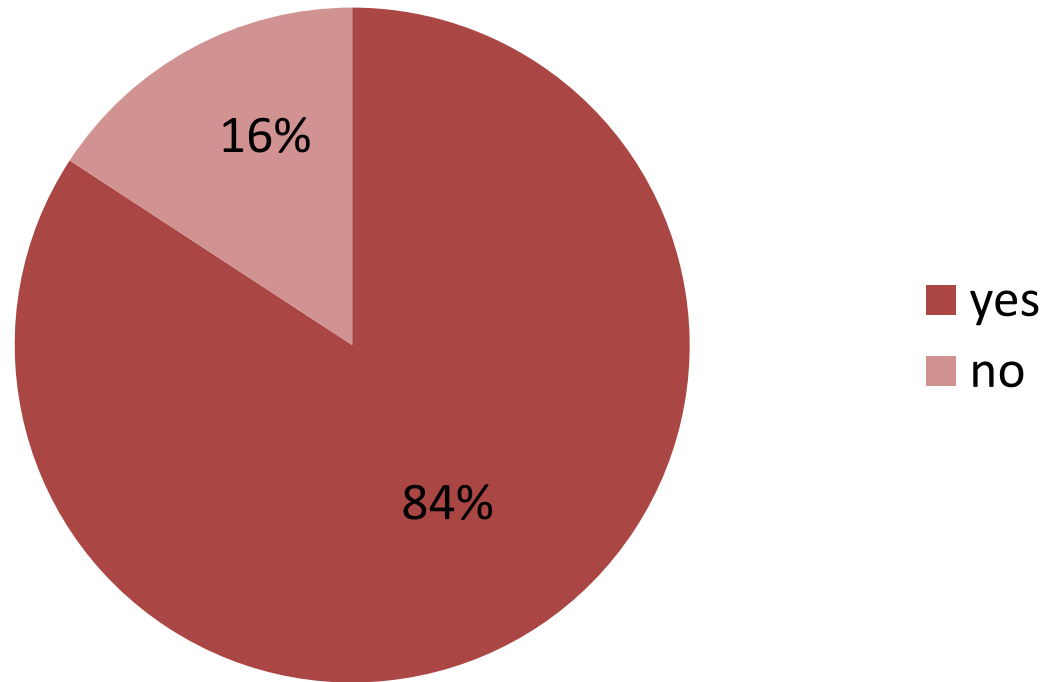

# Would you like to make a composition?

Would you like to listen to your notes,  
your compositions, with different  
instruments?

# Would you like to share your composition trials with others?
