Erasmus+ Programme
of the European Union

Company overview

Paragon Europe is an innovative, international EU affairs, advisory and compliance company with head offices in Malta and Brussels.

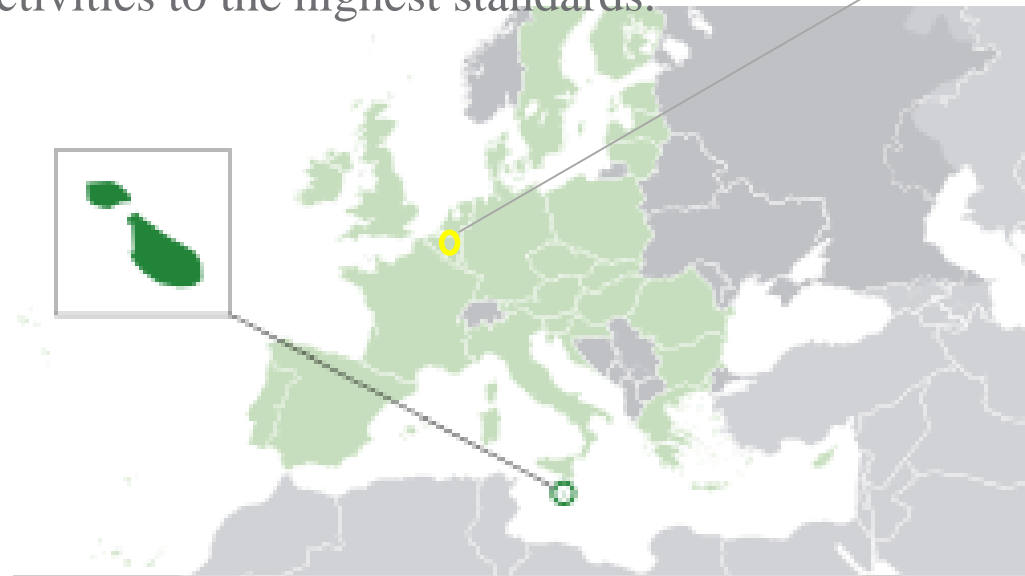

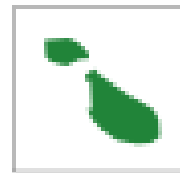

REALISING EXCELLENCE

Company overview

Paragon Europe was founded in 2004 with the vision of assisting local and regional authorities in sourcing EU funding opportunities and in the implementation of EU funded projects.

With over fourteen years of operational experience, our multilingual, multicultural and multidisciplinary team has developed the right expertise to carry out project and tender activities to the highest standards.

Company overview

The company's ambition is to contribute, both in Malta and Europe, to the objectives of the [EU Social Agenda](#) and the “headline targets” of the [Europe 2020 Strategy](#). The projects implemented by Paragon Europe are focused on the following areas:

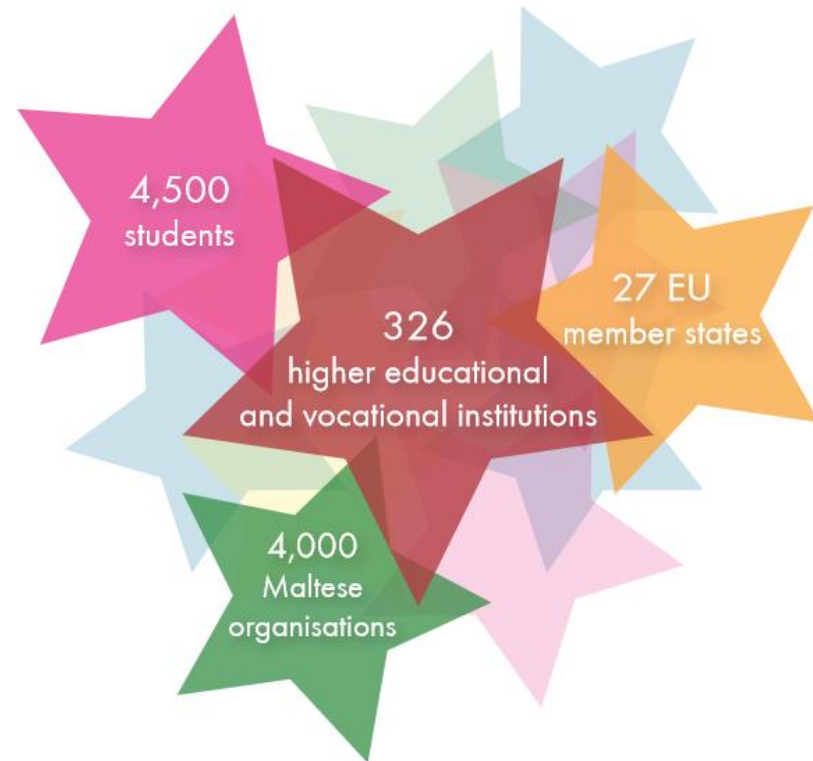

- Education and Training
- Sustainable Development and Environment (energy, transport, water etc.)
- Cultural Heritage and Tourism
- Social Inclusion
- ICT - Information and Communication Technologies
- Innovation and Entrepreneurship

Company overview

Additionally Paragon Europe has been managing a successful Internship Programme through various E.U. mobility projects including Leonardo da Vinci (IVT, PLM and VETPRO) and Erasmus since 2006, acting primarily as a receiving intermediary organisation in the framework of the Lifelong Learning Program.

The services of the Internship Department include **Extensive placement experience**; fully furnished and fully equipped student accommodation; placement mentoring & monitoring; experienced and qualified staff; **English language courses** (on demand); and cultural & social programs (on demand).

Added Value

We can ensure a professional involvement and bring an important added-value in the project in different areas:

- Project management
- Research
- Capacity building
- Dissemination and exploitation
- Development of Websites/platforms and video productions
- Organisation of events, workshops, seminars, forums, campaigns, conferences etc.
- Pilot testing
- Multidisciplinary team
- Intercultural events (promotion of social inclusion, working with different target groups: elderly, youth, marginalised groups)
- Big network of partners not only in Malta but also across EU (through a number of EU funded projects and events)
- Stakeholder engagement

Paragon's Role in The Project

ICT
IN
MUSIC
EDUCATION

Paragon Europe supports the project with its expertise and best practices in the specific project sector. Given its experience in promoting the development of emerging Maltese talent, Paragon Europe strengthens the project and project partners by stimulating the circulation of results and products developed during the implementation phase and helps increase recognition and visibility of cultural and creative artists, creators project works.

Paragon's Role in The Project

In detail Paragon Europe is responsible for:

- preparing and applying questionnaires for volunteer adult trainees to measure their knowledge level in ICT.
- organizing the partners meeting in Malta and participating to all partners meeting (Romania, Bulgaria, Slovakia, Greece, Portugal, Turkey);
- printing and distributing project of flyers
- organizing basic ICT courses for trainees in order to get how to use musical programs as composition machine
